

# LOREX Fire and Welding Blankets

LOREX Fire blankets are primarily for use on hot oil fires such as frying pans or small deep fat fryers. They can also be used on someone whose clothing has caught fire. They work by smothering the fire, stopping access to the oxygen fuelling it and extinguishing it. Also LOREX Welding Fire blankets are used widely in welding industry, and have good reputation in terms of quality and long-lasting provide reliable solution.

## LOREX LR-FB1010C Fire Blanket with Soft Bag

- Size : 100x100 cm
- Asbestos does not include
- White Color
- Max.Temperature : 550°C
- 500g/m<sup>2</sup>
- 0,4mm Thickness
- EN:1869-1997

## LOREX LR-FB1015C Fire Blanket with Soft Bag

- Size : 100x150 cm
- Asbestos does not include
- White Color
- Max.Temperature : 550°C
- 500g/m<sup>2</sup>
- 0,4mm Thickness
- EN:1869-1997

## LOREX LR-FB1518C Fire Blanket with Soft Bag

- Size : 150x180 cm
- Asbestos does not include
- White Color
- Max.Temperature : 550°C
- 500g/m<sup>2</sup>
- 0,4mm Thickness
- EN:1869-1997

## LOREX LR-FB2020C Fire Blanket with Soft Bag

- Size : 200x200 cm
- Asbestos does not include
- White Color
- Max.Temperature : 550°C
- 500g/m<sup>2</sup>
- 0,4mm Thickness
- EN:1869-1997

## LOREX LR-FB1010B Fire Blanket with Hard Box

- Size : 100x100 cm
- Asbestos does not include
- White Color
- Max.Temperature : 550°C
- 500g/m<sup>2</sup>
- 0,4mm Thickness
- EN:1869-1997

## LOREX LR-FB1018B Fire Blanket with Hard Box

- Size : 100x180 cm
- Asbestos does not include
- White Color
- Max.Temperature : 550°C
- 500g/m<sup>2</sup>
- 0,4mm Thickness
- EN:1869-1997

## LOREX LR-FB1515B Fire Blanket with Hard Box

- Size : 150x150cm
- Asbestos does not include
- White Color
- Max.Temperature : 550°C
- 500g/m<sup>2</sup>
- 0,4mm Thickness
- EN:1869-1997

## LOREX LR-1020KB Welding Blanket with Soft Bag

- Size : 100x200 cm
- Asbestos does not include
- White Color
- Max.Temperature : 1260°C
- 800g/m<sup>2</sup>
- 0,8mm Thickness
- Eyelet per meter
- Textured cloth
- EN:1869-1997

## LOREX LR-1030KB Welding Blanket with Soft Bag

- Size : 100x300 cm
- Asbestos does not include
- White Color
- Max.Temperature : 1260°C
- 800g/m<sup>2</sup>
- 0,8mm Thickness
- Eyelet per meter
- Textured cloth
- EN:1869-1997

## LOREX LR-2020KB Welding Blanket with Soft Bag

- Size : 200cm x 200 cm
- Asbestos does not include
- White Color
- Max.Temperature : 1260°C
- 800g/m<sup>2</sup>
- 0,8mm Thickness
- Eyelet per meter
- Textured cloth
- EN:1869-1997

EN:1869-1997

**We can produce different type, size, specification fire and welding blankets.**
